SWAP AND SELL: Allan has a Model T engine and gearbox for sale.

MEETING CLOSED: 8:14

PRESIDENT: Allan Benvenuti

SECRETARY: Steve Collins

President's Report

Hi Everyone,

Firstly, I would like to make a correction from last month's magazine. In the report about our trip I mentioned the FJ Holden Café, I said it was in Herberton, sorry I meant Hughenden, of course the flyer in the magazine had the correct address.

I am sorry to say the last couple of runs have been poorly attended, it is a shame as Wilf and Michael & Emiel had put a lot of effort into preparing and surveying as well as providing morning tea only to have a few vehicles turn up for each. Please make every effort to attend as it is great to get the cars out on the road together, and have an enjoyable time as well.

We are entitled to a rebate of \$36.97 from the Monty's Rewards programme, probably paid directly into the account, please don't forget to use your card for every purchase in the Tavern, and remember they have provided the function room for our meetings at no charge.

At the last meeting, we discussed the possibility of having Patches made for our existing shirts with our new club logo. I have contacted 3 Embroidery places for quotes, so far only one has replied, and did so promptly and efficiently, with the cost being \$649 for 100. That is a very reasonable \$6.50 each, we will discuss this further at the July Meeting and seek approval to go ahead with the order.

Please get your raffle money in for the State Titles, can you sell some more? Don't forget the entry fees go up on August 31, and as well you will be giving the committee some encouragement as registrations have been slow and only now starting to pick up.

Don't forget the July meeting is a 6.30 start so we will finish early for the State of Origin.

Happy Motoring

Allan Benvenuti

State Titles

State titles plans are well under way. We must all step up and commit to help and all our cars should be there. Helpers are needed with :-

Saturday - Canteen, Gates, Mini Car Show, getting cars on to field, Money Collector, Night - men to cook BBQ and ladies to set up.

Sunday - Canteen, Swap Meet people (Craig Collins to Co-ordinate) set up room for presentation, someone to organise cars leaving for observation run.

Please contact me to let me know how you can help out ASAP.

Consider sponsorship, possibly a trophy or supply a prize for the fun night or observation run. Do you know anyone in business that would also help with this.

Allan Benvenuti, President

Club Meetings

July 12 (**NB: 6:30 start**); August 9; September 13. **Venue:** Kallangur Tavern, 1517 Anzac Ave Kallangur.

Regular runs and events

Petrie Markets Run - Every Friday night, Dayboro Rd, Petrie 6.30pm; Harry's Diner and Munchies - Every Friday night; Kosmos Kitchen - Every Saturday night.

Look out to the Bay.

- Maccas Car Park near Brisbane Airport
- Observation run around Brisbane ending at the bay for a Sausage Sizzle lunch and with hot and cold drinks. All provided.
- Please bring a fold out chair, your car, your family and yourself.

Run by Jules Knight Ph. 0447199777 nascobay@gmail.com

June Club Run Report

I would like to thank the people who attended our June run and made it an enjoyable day out. The sun was shining which was pleasant to see after the much needed rain during the past weeks.

We shared the park where we stopped for morning tea with members of the Brisbane Northside Antique Vehicle Association. There were at least 15 cars of all description Australian, American, English and a host of members. Great to see.

We had two teams with all the right answers to our quiz Russell & Fiona and John, Kerrie and Lucas with 23 out of 23, while Alan & Barb had 22 correct. Lunch was had at MacGavins View overlooking the dam. All in all was a very relaxing enjoyable day out with great company.

Wilf

July Lake Manchester Run Report

A beautiful day - clear skies and a bit cool for our run. We all met at McDonalds at Kangaroo Point. Some had breakfast, some had a cup of coffee. Time to go out in the car park and everybody received a sheet of directions to our destination stops - driving out to Lake Manchester through the rolling hills of Mt Crosby with great views. It was amazing.

In the day-use area at Lake Manchester we boiled the kettle and had morning tea supplied by us - donuts biscuits etc, then a walk to the dam wall and views of the lake passing people on horses, people riding mountain bikes,

and hikers. It was interesting a busy spot.

After Lake Manchester it was off to our destination at the Rocklea wetlands reserve for lunch in amongst the wildlife. Very relaxing.

Callum Adams' Trip

An update on my trip.

In the last 3 weeks camped my way to Toowoomba, to the coast at Rocky, St Lawrence, Airlie Beach, Townsville, Cardwell and Ingham.

When I pull up to re-fuel for the old EH I have to ask attendant to fill the oil and check the petrol! Next west to Mt Isa.

Had a lot of interest from both campers and enroute, loving the set up..

Give my best.

Callum.

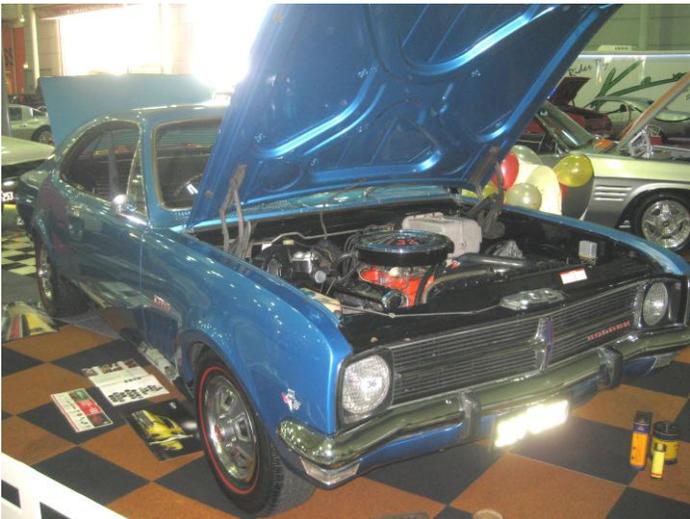

The 47th Queensland Hot Rod Show

Here are some mostly Holden images from the annual hot rod show held on June 3 and 4. I've been to all 47 bar about 3 or 4. Always interesting.

This one is odd - a back to front FB coupe with Falcon taillights no less. What's the point you may ask...

A really nice original LX.

Yes, it's a Ford, but there's a club connection, even though it's misspelt.
